

# SpeakOUT Boston's 50th Anniversary Celebration

*You are invited to join us on Wednesday, October 26 to celebrate SpeakOUT Boston's 50th anniversary at District Hall in the Seaport District.*

As the oldest LGBTQ+ speakers bureau in the nation, SpeakOUT continues to center the power of storytelling in our work to create positive social change. Our stories have helped to educate the public about LGBTQ+ lives, loves, difficulties, and triumphs for five decades. SpeakOUT will be hosting this celebratory fundraising event to mark the organization's golden anniversary and to honor the legacy of the LGBTQ+ movement that has coincided with our organization's journey. Your support on this special occasion will help provide the funding for our much-needed speaking programs during this challenging political environment for our community.
